

Newsletter for the week beginning Monday 11th March

Our Virtue to Live by this week is

First Reconciliation

Congratulations to our students who received the Sacrament of Reconciliation for the first time last week. May they always seek the forgiveness and love of our merciful God as they continue on their journey of faith. Please remember them and their wonderful families in your prayers!

St Patrick's Day Parade-25th Anniversary

As many of you will know, Leeds hosts an extremely successful St. Patrick's Day Parade in the City Centre every year. This year, it will be held on **Sunday 17th March**, and it marks the 25th anniversary of the Parade in Leeds. We are fortunate to have the use of a float again this year & we will be sharing this with St Urban's Primary School. Both schools have been busy preparing decorations which will be showcased on the float this Sunday. Families are welcome to join us on Sunday on the float or in the walking parade. We hope to see you then!

LILAC Community

Patience Class visited the Lilac community housing this week as part of their science week focus on sustainability & food waste. They had the opportunity to learn about eco-building, sustainability, solar energy & waste reduction. Thank you to the Lilac community for welcoming our pupils and modelling how to be respectful, considerate custodians of God's wonderful world! Our pupils came away brimming with ideas about how they can consider their own environmental impact on our planet. What a wonderful experience and opportunity!

Online Safety

D Side visited school this week to remind pupils about the importance of online safety. There was lots of information, games & quizzes to help pupils understand how to keep themselves safe online. As a school, we are dealing with an increasing number of issues that are occurring due to pupils using online social media platforms at home. Please speak to your child about the seriousness of staying safe online. For further advice, please make use of our monthly online safety newsletters that can be found at <https://www.christthekingleeds.co.uk/parents/online-safety>

We hope these regular updates from school, will further support with keeping children safe online.

YouTube

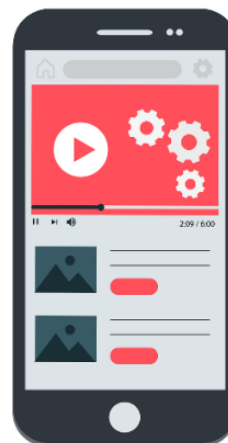

YouTube is intended for users over the age of 13 (however, children of all ages may use the Service and YouTube Kids if enabled by a parent/legal guardian).

What if my child is under the age of 13?

If your child is under the age of 13 then your child should use either YouTube Kids or a Supervised Account. Which option you choose, will depend on your child's age and your requirements.

- **YouTube Kids** – this is a separate app that includes a smaller selection of videos based on the age you select:

- Preschool (ages four and under)
- Younger (ages 5–8)
- Older (ages 9–12)

Mother's Day Lunch

Thank you to those parents/carers & family members who have joined us over the past two weeks to celebrate Mother's Day. It was wonderful to celebrate this with you and to welcome you into school to enjoy some special family dining. A huge thank you goes to Mrs Borthwick & her fantastic catering team for the delicious roast lunch and desert. Without their support and hard work, events like these would not be possible.

Have a wonderful weekend. Hopefully, we will see some of you at the parade this weekend!
Mrs Waide

Swieconka

This year, Father Neil will mark Swieconka at Christ the King Church on Holy Saturday (30th March) at 12noon & 1pm at Holy Family Church.

All are welcome to join.

Stations of the Cross

Christ the King Church at 12noon during Lent on Wednesdays followed by soup and a bread roll in the hall afterwards.

Please come along to this important Lenten devotion.

We adore you O Christ and we praise you. Because by your Holy Cross you have redeemed the world.
